

DRAWING AMENDMENTS

Please add Figures 1 through 6.

REMARKS

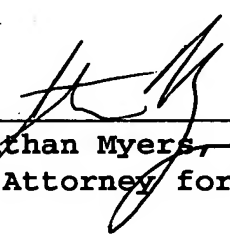

Applicants are filing this Amendment Under 37 CFR 1.312 in response to the Examiner's telephone call of 1 February 2006.

Applicants have amended pages 26 through 31 of the application to delete the graphs from the body of the specification and instead have added Figures 1 through 6 directed to these same graphs. Applicants have also added a Brief Description of the Drawings to page 25 of the application to explain each of the six graphs.

Applicants include as formal drawings Figures 1 through 6 which cover the exact subject matter of the canceled graphs from the body of the specification.

Entry of this amendment is earnestly solicited.

Respectfully submitted,
The Firm of Karl F. Ross P.C.
